Dear Dungeness Bay Plat Community Members,

I am thrilled to write this letter to you as the new President of our Homeowners Association. I would like to take a moment to express my excitement for the upcoming year and share my vision for our community.

I am confident that together we can continue to maintain and improve our neighborhood, making it a wonderful place to live for all of us. I am eager to work with each and every one of you to address your concerns, listen to your suggestions, and implement effective solutions to make our community even better.

I also want to emphasize the importance of community involvement and encourage everyone to participate in our HOA meetings and events. Your involvement is crucial in ensuring that our community runs smoothly and that everyone's needs are met.

Please feel free to reach out to me with any ideas, suggestions, or concerns. I am looking forward to working with you all to make this the best year yet for our community.

Best regards,

Jared
